

Wisconsin Well Woman Medicaid (WWWMA)

Wisconsin Well Woman Medicaid (WWWMA)

provides medical treatment for women diagnosed with breast or cervical cancer, or precancerous condition of the cervix.

Women may have been diagnosed through one of the following programs:

- ❖ Wisconsin Well Woman Program
- ❖ Family Planning Waiver
- ❖ Badger Care Plus Benchmark Plan or
- ❖ Badger Care Plus Core Plan for Adults with No Dependent Children

Provides full **Medical Assistance Benefits** for eligible women for the duration of treatment of breast or cervical cancer.

ELIGIBILITY

- ❖ **Must be a U.S. citizen.**
- ❖ Women screened and diagnosed through WWWP, FPW, BC Core, or BC+ Benchmark, are automatically eligible for WWMA provided they:
- ❖ Do not have Medicare or any other insurance that covers treatment for cancer.
- ❖ Have the diagnosis of their condition confirmed by a Medicaid-certified provider.
- ❖ May be eligible if uninsured, have a breast or cervical cancer diagnosis and meet the WWWP eligibility guidelines.

Covered Services

- ❖ Wisconsin Well Woman Medicaid covers the same services as Wisconsin Medicaid, regardless of whether the service is related to cancer treatment.
- ❖ Providers will be reimbursed for services provided to members enrolled in WWWMA at the current Wisconsin Medicaid rate of reimbursement for covered services.
- ❖ There are no co-payments for Medicaid covered services for WWWMA members.
