

Notice of Decision for SNAP FoodShare

Sample Text for Manual NOD (F-16001)

Approvals

The gross income limit for FoodShare is 200% of the Federal Poverty Level (FPL) for the number of members in an assistance group. The Federal Supplemental Nutrition Assistance Program (SNAP) allows special rules for households that include at least one member who has been determined elderly, blind, or disabled (EBD) if that household has gross income that is over this limit. We have used those rules to process your application or renewal.

Your FoodShare application or renewal has been approved. The calculations used for your allotment are enclosed with this notice. Please call the agency at 1-888-794-5556 if you have questions. Thank you.

Denials

The gross income limit for FoodShare is 200% of the Federal Poverty Level (FPL) for the number of members in an assistance group. The Federal Supplemental Nutrition Assistance Program (SNAP) allows special rules for households that include at least one member who has been determined elderly, blind, or disabled (EBD) if that household has gross income that is over this limit. We have used those rules to process your application or renewal.

Your FoodShare application or renewal has been denied because [worker chooses the correct wording from the three options below to complete this sentence]

the FoodShare-countable assets for your household are over the program limit of \$4250 per household (7 CFR 273.8).

the income we counted for your household (after allowing for FoodShare-countable expense deductions) is over the net income limit of 100% of the Federal Poverty Level used under SNAP rules (7 CFR 273.9).

it has been determined that you have divested. You will be ineligible for FoodShare based on Federal rules for [worker fills in months of divestment] (7 CFR 273.8).
